

### SITE UPDATE | NOVEMBER 2024

We are pleased to issue our November newsletter for Beech Tree Place, Sutton.

It is with great satisfaction that we can confirm that the construction of this project is continuing at the intended pace and a summary of progress, key points and upcoming works are outlined below.

This month we are welcoming 90, Year 3 Students from Robin Hood Primary School to take part in some construction activities.

Indicative CGI of Beech Tree Place project

Block A brickwork and blockwork is underway and progressing to the first floor as we also move forward with the internal plumbing works.

Block B foundations are complete and we are working towards the production of the first floor concrete slab.

Block C foundations are nearing completion along with associated excavation works.

Block D level six's floor slab has been poured with level seven due to be poured this month. Brickwork and blockwork is also underway.

The substation brickwork is now complete.

### LOOKING AHEAD

Over the coming month we are scheduling blocks A and D first floor block and brickwork to be complete with Scaffolders continuing their works. We also intend to further progress plumbing works internally.

Block B first floor will be finished this month and the structure will be progressing to level two, with block C being constructed to the first floor.

As in all construction projects, there are times when a particular operation of work is dusty, noisy and disruptive, we will use our best endeavours to keep this to minimum.

This project has been registered with the Considerate Constructors Scheme. Should you have any concerns please contact the team on the adjacent page.

### ABOUT BUGLER DEVELOPMENTS

Bugler Developments has been building high quality homes since 1982. We are a family-owned, award winning contractor, working on behalf of local authorities and housing associations across London and the South East of England.

With our understanding and wealth of experience, we offer an integrated approach to the delivery of residential and mixed-use developments.

Giving back is also a key facet of what we do, and through the Bugler Foundation we have supported many worthwhile causes - from mental health to grassroots sport and local initiatives.

Social Value has always been important. We recognise that there is a duty to us as housebuilders to provide a positive legacy to the communities in which we work, both while we are on the site and after, and this is something our whole team buys into.
