We have created this newsletter to keep you updated with the works ongoing in the coming weeks. We will send you regular newsletters to keep you informed as the project progresses.

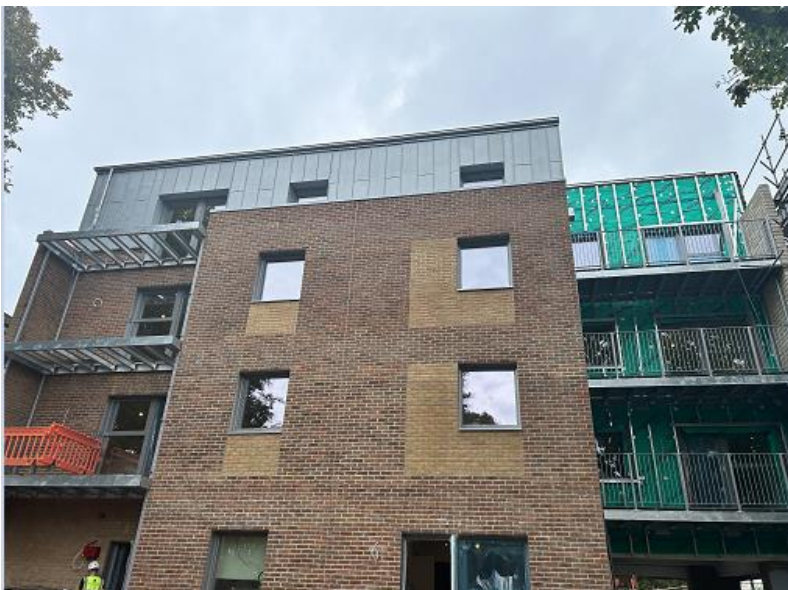

Progress Update

Over the last month we have,

- Completed plastering to all of apartments.
- Completed electrical installation throughout.
- Completed plumbing works throughout.
- Continued to install all of the balconies.
- Continued with the external groundworks.
- Removed the site welfare units.

Over the coming month we plan to

- Continue with the Zinc cladding works.
- Continue with installing the balconies.
- Continue with the external groundworks.
- Commence with the communal area decorations.

Project Overview

The Woodcote Road development contains 11 flats, comprising one 1-bed, one 1-bed Disabled Person Unit, and nine 2-bed units with affordable rent levels. Along with 10 off street parking spaces. The development will be built to Passivhaus, zero carbon standards.

Monday to Friday between 8am and 6pm

Saturdays between 8am and 1pm

BEWARE

Building sites are inherently dangerous.

It is important for your own safety, that you and particularly children do not enter this site. Whilst we maintain a physical presence during working hours and have installed CCTV to monitor security, we ask that you do not risk injury by undertaking unsupervised access at any time.

Thank you for your cooperation.

Social Value

As a small gesture of good will, Kind and Co. held an afternoon tea event for the residents at the assisted living facility at 73 Woodcote Road. This was to thank them for their continued support and understanding throughout the entire project. Thank you!
