Dear Resident,

Proposed parking changes for Rookwood Avenue

Following our informal consultation in February 2024 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Rookwood Avenue

Following local requests we are proposing to formally extend the double yellow lines outside Nos 67 and 69 Rookwood Avenue, due to obstructive parking. We are also proposing no loading areas at the turning point of the road (**see detailed map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

This final stage of consultation will end on **28 November 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
