Dear Resident,

## **Proposed new Permit Parking Area**

Following our informal consultation in April 2023, we received feedback from residents and local councillors in relation to parking in your area. Following a review and looking at opportunities to maximise parking for local residents, we are now proposing a new Permit Parking Area (PPA) for Hackbridge.

### **Proposals for new HB3 PPA**

The HB3 PPA is proposed to operate in the following streets:

- Bluebell Close
- Clover Way
- Foxglove Way
- Poppy Close
- Primrose Close
- Violet Close

The PPA would operate Monday to Friday 8am to 5pm.

### **What is a PPA?**

A PPA is an alternative to a Controlled Parking Zone scheme.

In a PPA all streets are subject to parking controls and vehicles may park only when displaying a valid permit for that PPA during the operational hours.

The operational times of the PPA are indicated on entry signs as you enter the area/zone with residents and their visitors being given priority throughout the hours of operation.

A PPA generally allows for slightly more parking capacity as bays are not formally marked and residents are able to park across their dropped kerbs (vehicle crossovers) during the operational hours with a valid permit.

While there are generally no marked bays in a PPA, additional bays can be introduced, or retained where they already exist, such as time limited free bays, loading bays or disabled bays. These bays will be marked out and signed appropriately. A parking permit does not give the holder the right to park outside a particular premises, and does not necessarily guarantee an available parking space. There is a charge for permits.

You can find out more about PPA fees on our website [sutton.gov.uk/w/parking-permit-fees](https://sutton.gov.uk/w/parking-permit-fees)

## Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. Your feedback may include information about hours and days of operation or eligibility. You can see the proposed changes and provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This final stage of consultation will end on **13 June, 2024**.

If you don't have access to the internet, you can provide feedback in writing to Parking Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA (quoting MapSutt 1160).

Yours faithfully,

**Kevin Williams**
