Dear Resident,

Proposed parking changes for Worcester Road

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Worcester Road

Following local requests we are proposing to convert single yellow lines between the pay and display bays on Worcester Road to double yellow lines, as well as extending a short section of double yellow lines on the bend of the road due to obstructive parking causing access issues and safety issues **(see map on the back of this letter)**.

Have your say

You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **23 July 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1E.

Yours faithfully,

Kevin Williams
