Dear Resident,

## **Proposed new Permit Parking Area**

Following two rounds of consultation, we are now proceeding with a final consultation for a new Permit Parking Area (PPA) in Hackbridge.

### **Proposals for new HB3 PPA**

We have reviewed feedback from residents and local councillors in relation to the days and hours of operation for the new HB3 PPA.

The HB3 PPA is proposed to operate Monday to Saturday 8am to 6.30pm in the following streets:

- Bluebell Close
- Clover Way
- Foxglove Way
- Poppy Close
- Primrose Close
- Violet Close

The HB3 PPA hours will mirror those of the nearby HB2 PPA, reducing the chances of parking displacement.

Existing private parking bays are not within the public highway boundary and will therefore not be affected by these proposals.

## What is a PPA?

A PPA is an alternative to a Controlled Parking Zone scheme.

In a PPA all streets on the public highway are subject to parking controls and vehicles may park only when displaying a valid permit for that PPA during the operational hours.

The operational times of the PPA are indicated on entry signs as you enter the area/zone with residents and their visitors being given priority throughout the hours of operation.

A PPA generally allows for slightly more parking capacity as bays are not formally marked and residents are able to park across their dropped kerbs (vehicle crossovers) during the operational hours with a valid permit.

While there are generally no marked bays in a PPA, additional bays can be introduced, or retained where they already exist, such as time limited free bays, loading bays or disabled bays. These bays will be marked out and signed appropriately. A parking permit does not give the holder the right to park outside a particular premises, and does not necessarily guarantee an available parking space. There is a charge for permits.

You can find out more about PPA fees on our website [sutton.gov.uk/w/parking-permit-fees](https://sutton.gov.uk/w/parking-permit-fees)

## Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This final stage of consultation will end on **21 November 2024**.

If you don't have access to the internet, you can provide feedback in writing to Parking Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**
