Dear Resident/Occupier,

Proposed parking changes for Jessops Way

Following our informal consultation in February 2024 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Jessops Way

Following local requests we are proposing double yellow lines on one side of the road due to obstructive parking causing access issues (**see detailed map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

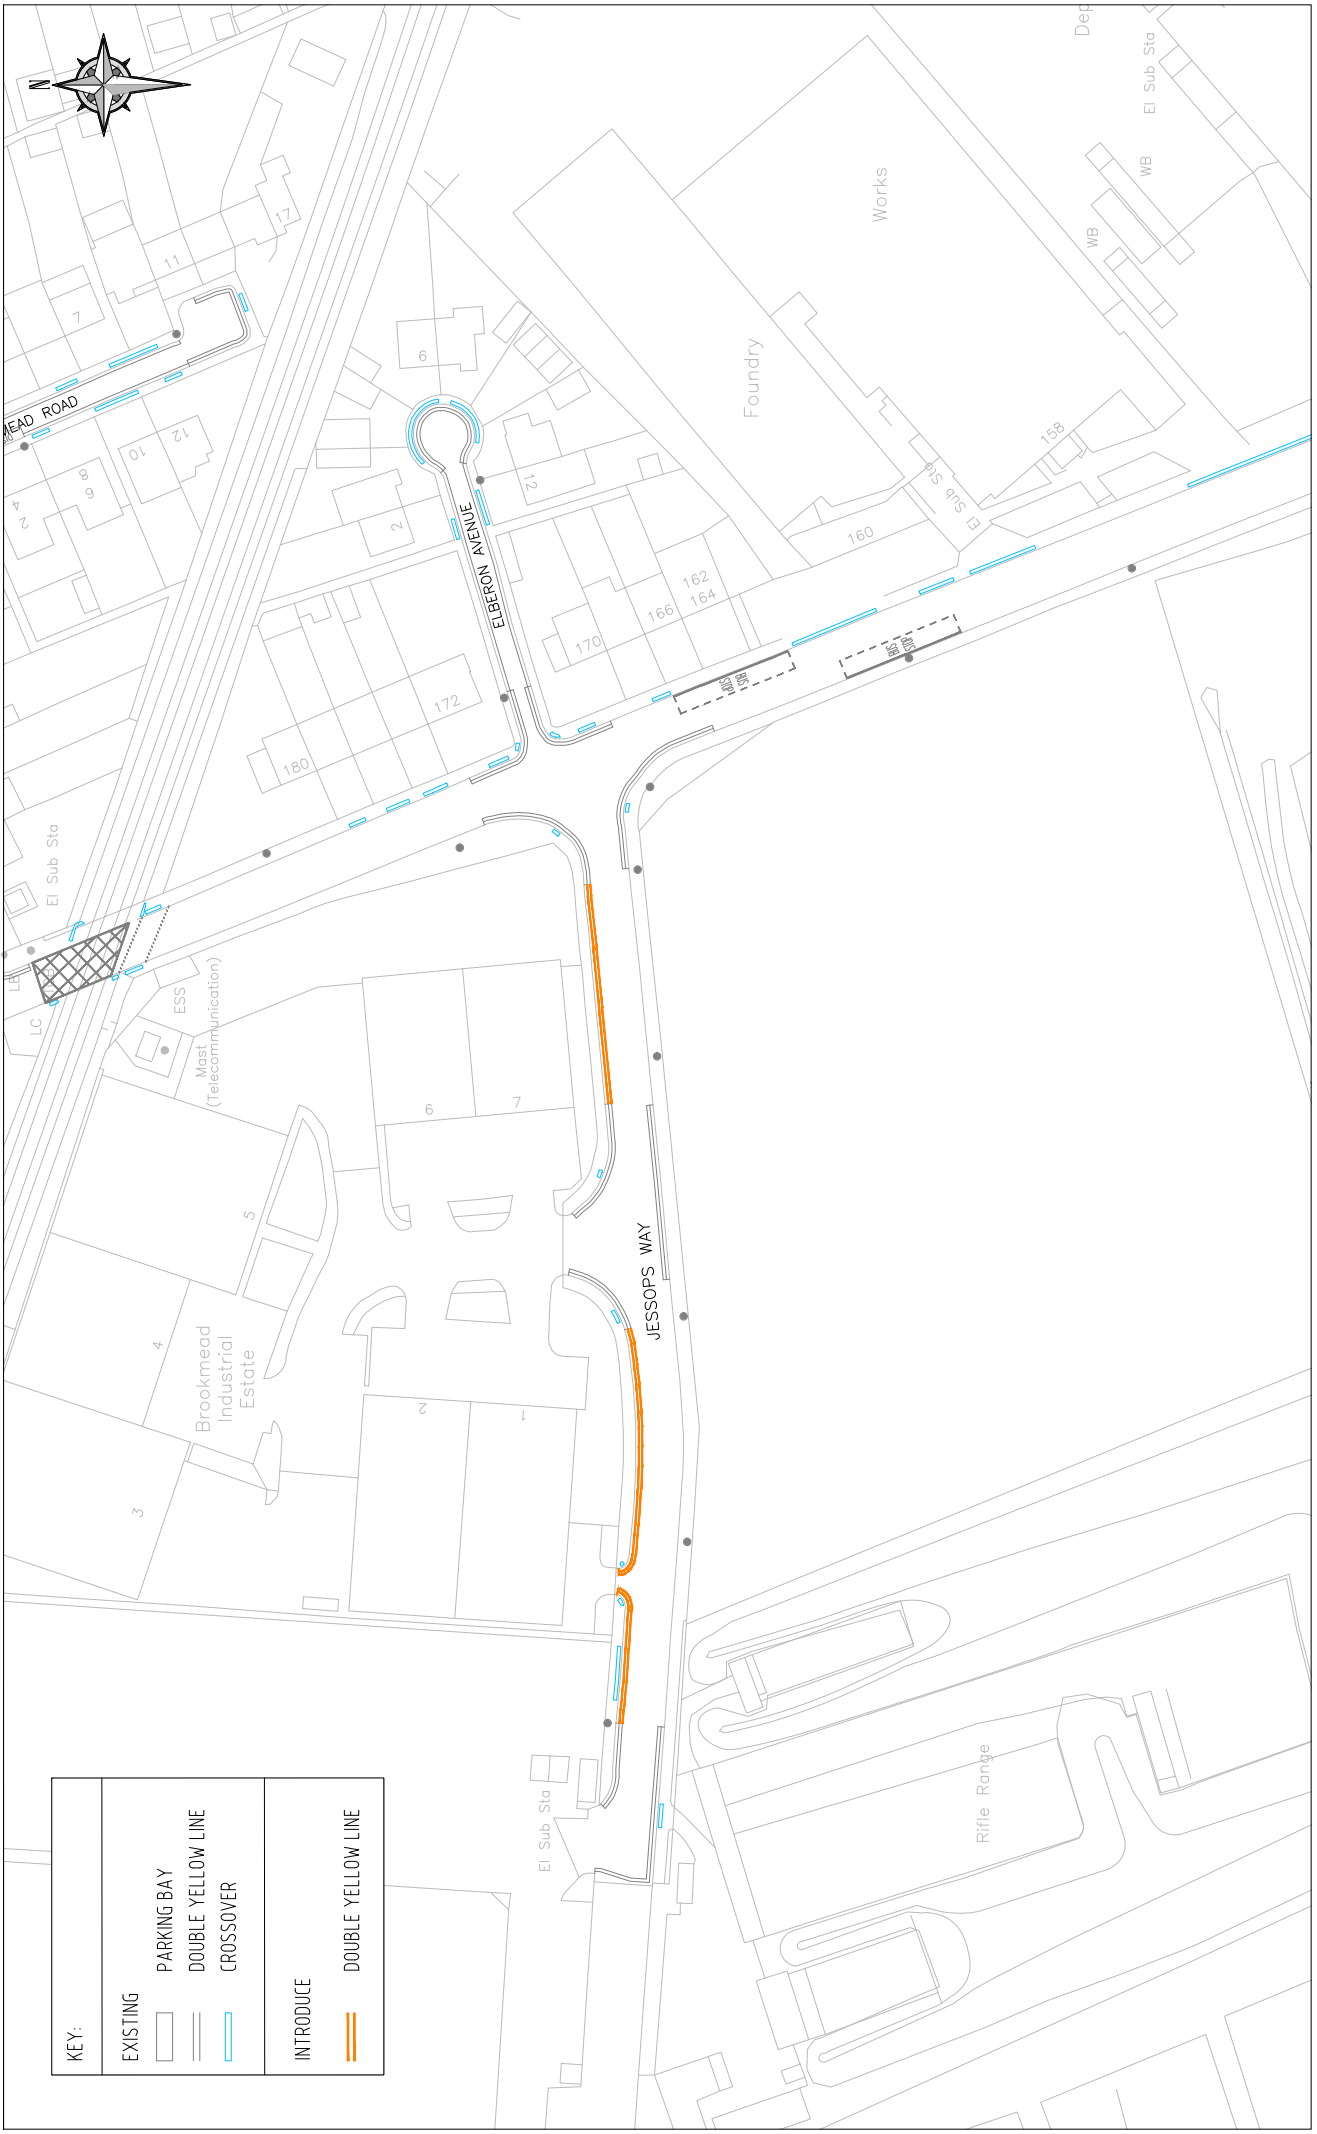

This final stage of consultation will end on **28 November 2024**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
