Date: 23 January 2025

Dear Resident,

Proposed parking changes for Carters Close, Handside Close and Southwood Close

Following our informal consultation in November 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Carters Close, Handside Close and Southwood Close

Following feedback from the local residents' association we have modified our proposals for double yellow lines at multiple locations due to obstructive parking blocking access, including for bin collections **(see revised plans on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

This final stage of consultation will end on **13 February 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services

Proposals for Carters Close, Handside Close and Southwood Close
