Dear Resident,

Proposed parking changes for Burnell Road

Following our informal consultation in September 2024 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Burnell Road

Following local requests we are proposing to remove two shared use bays on Burnell Road and replace them with double yellow lines. We are also proposing introducing no loading on the double yellow lines on the corner of Lewis Road and Burnell Road due to parking near the junction causing safety concerns **(see detailed map on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

This final stage of consultation will end on **27 March 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services

Shared use bay removal proposed for Burnell Road
