Dear Resident,

## **Proposed parking changes for The Circle**

Following our informal consultation in August/September 2024 we are now moving to a final consultation about proposed parking changes for your street.

### **Proposal for The Circle**

Following requests from local businesses we are proposing two time limited bays to prevent all-day commuter parking and to assist with parking turnover for shoppers and for loading. The bays would operate Monday to Saturday, 8am-6.30pm (1 hour max stay) **(see detailed map on the back of this letter).**

### **Have your say**

This is your chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This final stage of consultation will end on **10 April 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**
