Dear Resident,

Proposed parking review for St Helier

You will have recently received a letter dated 21 November concerning the review of the existing Permit Parking Area (PPA) scheme that covers your road.

We are re-writing to you as the previous letter was distributed without an envelope which may have led to it being unnoticed by some residents. Because of this we have now extended the consultation period to 16 January, 2025.

We're writing to you as part of our ongoing review of parking in Sutton.

The SH2 permit parking area (PPA) was introduced in July 2021. As it has now been in place for an extended period, we are conducting a review on how it has been working.

Have your say

We are asking residents within the current permit zone for their feedback.
(see Map on the back of this letter).

You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **16 January 2025**.

We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

The more residents that respond to this survey the more chance of a majority voice being heard.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services

SH2 permit parking area
