Dear Resident,

Proposed parking review for St Helier

We're writing to you as part of our ongoing review of parking in Sutton.

The SH3 permit parking area (PPA) was introduced in July 2021. As it has now been in place for an extended period, we are conducting a review on how it has been working.

Have your say

We are asking residents within the current permit zone for their feedback (**see map on the back of this letter**). We are also interested in views from residents in neighbouring streets (outside of the PPA boundary) who may have experienced parking displacement and may wish to be included in the permit area.

You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **12 December 2024**.

We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
